Validity: This physical inspection result only remains valid until: <u>22/02/2015</u>	
It is the exporter's decision whether or not to proceed with shipment but goods not shipped by the expiry date will automatically require re-inspection prior to shipment	
Important:	
This is not a Certificate of Conformity (CoC) or Certificate of Inspection and it does not relieve sellers of their contractual obligations. Exporters are advised to contact SGS prior to shipment if:	
<ul style="list-style-type: none"> • There is any doubt concerning the issuance of CoC/ Certificate of Inspection. • Requiring any other information or wishing to present their views in writing concerning the physical inspection result. • Requiring re-inspection of the goods, where applicable, advising the date on which the goods will be available. 	
Final decision on conformity of the inspected goods to the requirements of importer's country will be taken by SGS upon completion of the studying of technical file, this inspection report, tests reports if applicable and other documents, list of which was earlier communicated to the exporter, relevant to the conformity assessment of the goods; if sampling took place at loading of goods and testing is scheduled at the laboratory, final decision on conformity of goods will be taken no earlier than completion of testing; please contact SGS to obtain update on schedule and results of testing; if the results of inspection are either unsatisfactory or conditional, exporter are advised to contact SGS for reconciling the discrepancies revealed. Exporter will have to contact SGS in order to obtain either Certificate of Conformity or positive decision on conformity of the goods prior to shipment.
